Rosemary Cameron
Executive Officer
Royal Historical Society Victoria
239 A'Beckett Street
Melbourne, 3000

Dear Rosemary

The Gisborne & Mount Macedon Historical Society would like the Royal Historical Society to give consideration to awarding Joan Anderson, our long-time volunteer, committee member and current Treasurer, with an Award of Merit.

Joan joined the Society twenty-two years ago and during this period she has attended almost every weekly working session, Joan became a committee member twelve years ago and five years ago she took on the role of Treasurer. Joan also attends the bi-monthly Macedon Ranges Heritage Council Meetings.

At our working session, Joan is involved in research enquiries, membership records, setting up displays in "The Stables" and also provides many articles for these displays, last year and currently she assists in digitizing our photographs.

When we hold special functions of the Society Joan is always in attendance and provides great assistance along with other volunteers.

In view of the many extra activities over and above Treasurer duties and committee member that Joan willingly undertakes, we believe that Joan Anderson would be a very worthy recipient of an award of Merit in 2019.

Yours truly

Frank Porter
President
